

November 2025

Dear Friend

As we reflect on 2025, we're filled with pride and gratitude for how alive the library has become. It has become a place filled with exciting activities, new programs, and engaging conversations that inspire our community.

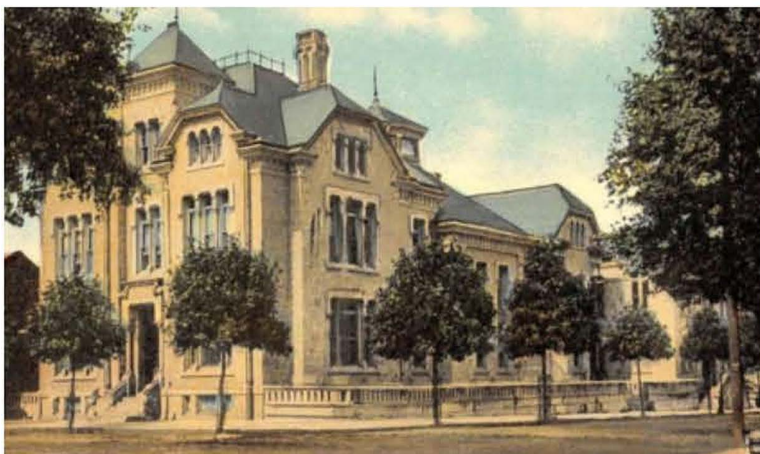

What Are People Doing At the Library?

The Thomas Beaver Free Library is an essential hub for our community, providing access to books, technology, and resources that support education, literacy, lifelong learning, and social connections.

Your contributions are vital to our success!

Donating to the library ensures that everyone, regardless of their financial situation, has access to information, books, technology, educational programs, and social opportunities.

We rely on the generosity of supporters like you to continue our important work. Your contributions help us expand our library's collection, programs, and technology to better serve the diverse interests and needs of the community.
